

HE'LL BE ON TV—Timmie Spees, six-year-old son of Mr. and Mrs. Noble Spees, has just been signed to a contract by Universal Studios. The youngster, well-known in this area for his square-dance calling, concluded rehearsals Thursday.

Timmie Spees Picked for Role In "Big Score"

Timmie Spees is just six years old, but he is already a "business man."

Timmie, known to many through his activity in Golden Horseshoes and Maverick dance groups, will appear in "The Big Score," an Alfred Hitchcock television play.

The youngster, son of Noble and Peggy Spees, 24602 Eshelman, Lomita, will play the part of Larry in the upcoming program, according to his agent, David Samuels of Joseph Studios.

This is the second role for Timmie, who appeared in the movie, "Country Music Jam-boree."

Timmie was picked for the role over 31 other youngsters who tried out.

He attends Torrance Lutheran School and has two brothers, Johnnie, 10, and Dennis, 12.

Indians Thank Adventists for Food, Clothing

Hundreds of Navajo Indians living in Monument Valley sent thanks to Torrance this week for food and clothing recently collected here for them.

The food and clothing was collected in Torrance on Halloween eve by members of the local Seventh-day Adventist Church's Pathfinder Youth Club as a "treat for Navajos" instead of a trick in the traditional manner.

"Hundreds of these proud, 'original' Americans are in need of this warm clothing," Dr. J. Lloyd Mason said.

"Although this is the desert the temperature here frequently skids below 20 degrees. One of the reasons for the high number of respiratory difficulties the Indians have is because they do not possess adequate clothing," the mission director said.

Altogether more than 19 tons of food and clothing has been collected in Torrance and other southern California communities for this special Navajo relief effort.

"Very few Navajos can speak English," Mason said. "But if they could they would surely say a very special 'Thanks' to every good person in Torrance who made this practical person-to-person help possible," he concluded.

Snyder Talks To Unitarians

Dr. Snyder has chosen for his topic "To What Can A Humanist Be Thankful?"

Service starts at 11 a.m. and Church School for children of all ages meets at the same time.

Dr. Snyder received degrees from Temple University in Philadelphia, and from Princeton.

He taught at USC, and is now a professor of philosophy at San Diego State College.
